Rights of the data subject

Under the Privacy Data Protection Act and EU privacy directive the data subjects ("You") have certain rights regarding the personal data collected by Frame.dk ApS in relation to your person. These rights are:

Right to access - You have, under certain conditions, the right to access the data as Frame.dk ApS keeps about your person

Right to rectification of data - You have the right to correct errors or omissions in the data Frame.dk ApS treats related to your person

Right to deletion - You have, under certain conditions, the right to request deletion of data related to your person. Note that this right does not apply to most legal treatments of personal data. If you have consented to the processing of your personal data, you may withdraw your consent to this processing, by which related data are deleted.

Subject to limited treatment - In some cases you have the right to suspend the processing of your personal data. This will apply if the accuracy of the data is questioned, if you want a copy of unlawfully processed data and thus do not want these deleted, if you need to prolong the storage of data longer than the Frame.dk ApS's purpose allows, or if you dispute the right to process your data and such a dispute is not decided.

Right to data portability - You have, in some cases, the right to receive the personal data that Frame.dk ApS has collected about your person in a structured, widely used and machine-readable format, for the use of transferring your personal data to another data controller

Right to insight - You may, in some cases, object to the processing of your personal data. If you object to the processing of your data, these will no longer be processed unless there are significant legitimate reasons for this or the processing is required for the determination or defense of a legal claim. If your data is processed for direct marketing purposes, you may object to this at any time, resulting in a termination of such processing.

Use of your rights

EU privacy data regulation and/or local law govern your rights related to data privacy. These rights are not absolute rights, but rights that you can exercise depending on how personal data is processed by Frame.dk ApS.

Should you wish to exercise any of the above rights, please forward your inquiry via Frame.dk ApS's contact person or DPO, using the contact information in this policy.

Frame.dk ApS will assess individual inquiries as soon as possible.

If you wish to appeal against the processing of your personal data to an external authority, such complaints must be forwarded to the supervisory authority of your EU home country. In Denmark this will be Datatilsynet.

Automatic decisions and profiling

Frame.dk ApS may use the data subject's personal data for profiling or as a basis for automatic decisions.

The data used for automatic decisions are as follows:

Please list any data used for automatic decisions

The data obtained basis profiling is as follows: None

If you do not want to be subject to automatic decisions and or profiling, you can contact the Frame.dk ApS's contact person within the meaning of this policy with the desire for human intervention in the manner contesting the automated decisions and / or profiling.

Security

The security of your personal data is important to us. We follow generally accepted standards to protect the personal data submitted to us, in accordance with the risk related to the data and processing hereof. If you have any questions about the security of your personal data you can contact us via the contact information in this policy.
